Activity	Monday	What was the age group?	Did the children enjoy the activity?	What was the best part?	What could have been done differently?	Who taught this activity?	Did you take a photo?
Theme	Landscape: A World Without People						
Imagination station	Take down all words						
Early Morning 1	The Earth's Crust in Layers						
Early Morning 2	Clay Dinosaurs						
Food for Thought	Dinosaur sandwiches						
Culture							
Morning Primary	A Happy Dinosaur Needs...						
Morning Art	Dinosaur Terrarium						
Morning Outdoor	Move Like a Dinosaur						
Yoga	Crocodile Pose						
Afternoon Primary	Dinosaur Counting						
Afternoon Secondary	What is a Reptile?						
Afternoon Outdoor	Painting Dinosaurs						

Activity	Tuesday	What was the age group?	Did the children enjoy the activity?	What was the best part?	What could have been done differently?	Who taught this activity?	Did you take a photo?
Theme	Art & Culture: No words and no language						
Imagination station	Small Object Washing						
Early Morning 1	A Whole Dinosaur						
Early Morning 2	Dinosaur Tracks						
Food for Thought	Dinosaur eggs (pluots)						
Culture							
Morning Primary	Who is the Biggest?						
Morning Art	Prehistoric Bugs						
Morning Outdoor	A Dino Line						
Yoga	Reaching Up Pose						
Afternoon Primary	Dinosaur Discovery						
Afternoon Secondary	Inside the Egg						
Afternoon Outdoor	Plein Air Painting						

Activity	Wednesday	What was the age group?	Did the children enjoy the activity?	What was the best part?	What could have been done differently?	Who taught this activity?	Did you take a photo?
Theme	Digging the Earth						
Imagination station	Sand Table with bones, small brushes & shovels						
Early Morning 1	Magnetic Dinosaur Fun						
Early Morning 2	Dinosaur Sorting						
Food for Thought	The Earth's Crust in Layers						
Culture							
Morning Primary	How Many Dinosaurs Were There?						
Morning Art	Dinosaur Skins						
Morning Outdoor	Dinosaur Movements						
Yoga	Reaching Up Pose						
Afternoon Primary	They're Hatching						
Afternoon Secondary	Piecing Together						
Afternoon Outdoor	Dinosaur Bones						

Activity	Thursday	What was the age group?	Did the children enjoy the activity?	What was the best part?	What could have been done differently?	Who taught this activity?	Did you take a photo?
Theme	Animals: Types of Dinosaurs						
Imagination station	Add Clay to Water Table						
Early Morning 1	Before They Were Fossils						
Early Morning 2	Making Clay						
Food for Thought	Herbivores, Carnivores & Omnivore						
Culture							
Morning Primary	Fossilization						
Morning Art	What does a Dinosaur Feel Like?						
Morning Outdoor	How Big?						
Yoga	Reaching Up Pose						
Afternoon Primary	Layers Underneath						
Afternoon Secondary	Dinosaur Dentistry						
Afternoon Outdoor	Lava Flow						

Activity	Friday	What was the age group?	Did the children enjoy the activity?	What was the best part?	What could have been done differently?	Who taught this activity?	Did you take a photo?
Theme	Science: Paleontologist						
Imagination station							
Early Morning 1	Different Kinds of Dinosaurs??						
Early Morning 2	Dino X-cavator						
Food for Thought	Finding Fossils						
Culture							
Morning Primary	Marking the Spot						
Morning Art	Dinosaur Feet						
Morning Outdoor	Dinosaur Dancing						
Yoga	Crocodile Pose						
Afternoon Primary	I Want To Be A Paleontologist						
Afternoon Secondary	Out of the Mouths of the Dinosaur						
Afternoon Outdoor	Carnivores vs. Herbivores
